Greetings members , summer is flying by and soon it will be hunting season and membership renewal time .There has not been a ton of news to report to you through the summer but with fall fast approaching the ranges will start to be much busier .

As always be sure to check the website before attending the club to be sure that the range you wish to use is not closed for an event or maintenance .

The winter trap league has got their schedule figured out and it is available on the website , it is a fun league to shoot and gives you an opportunity to visit some other clubs .

The sporting clay dates for the coming year should be available soon as well as the Can Am schedule . As soon as it is available it will be posted on the web site .

The membership renewal schedule has been finalized and I am going to attach it here as a second page .

Stay safe and happy shooting
